Home sweet home of the 80's.

The 1980's were, in a word – rad. And there's only one place for all the 80's programming you love: VH1 Classic. From Pop-Up Video to Metal Mania and beyond, we've got everything you need to get your 80's fix. Relive all the fashion, trends – and most importantly, the music – of the most awesome decade ever. And if that's not enough, check out vh1classic.com, where you'll find over 6,000 music videos, as well as tons of classic arcade games and VH1 originals.

The 80's are back in style, so get with the program – only on VH1 Classic.
